Download [PDF] Discussing Design Improving Communication

Real critique has become a lost skill among collaborative teams today. Critique is intended to help teams strengthen their designs, products, and services, rather than be used to assert authority or push agendas under the guise of "feedback."

Discussing Design: Improving Communication and

Asking for feedback is a universal part of the design process regardless of organization, industry or maturity. At some point in the process of making something you turn to others and either explicitly or implicitly open the doors to collecting their thoughts on what you've constructed.
