It has 142 sentence patterns, each with a different grammar construction point that is highlighted. Each section gives a very quick explanation of the grammar point and then provides 3-5 example sentences in Kanji, Romanji and English. All of the patterns are grouped by chapters:

Japanese Sentence Patterns for Effective Communication.

Japanese sentences are structured with the main verb at the end of the sentence. Other pieces of information, such as the subject and object, appear somewhere before the verb, usually together with a helper word known as a "particle". The order of the words can vary, as it is the particles that tell us who did what.
