Madrasa is the Arabic word for any type of educational institution, secular or religious, whether for elementary instruction or higher learning. The word is variously transliterated madrasah, medresa, madrassa, madraza, medrese, etc. In the West, the word usually refers to a specific type of religious school or college for the study of the Islamic religion, though this may not be the only subject studied. In countries like India, not all students in madrasas are Muslims; there is also a modern c
